Description

This is for a Preliminary market engagement (PME) where the tender documentation is not yet available. However, interest (Expressions of interest) can still be registered (see below for details on how to complete, and please also refer to the Engagement Section for further details on this).

A national multi-lot framework agreement for vehicle charging infrastructure solutions utilised by ultra-low and zero emission vehicles, including supply and installation of electric vehicle charging points (standard/fast/rapid/ultra-fast) and related services.

To express an interest:

(a) Go to <https://www.eastmidtenders.org/>; (b) Register (if not already registered on ProContract); (c) Search for tender opportunity '636_25' (via "View Opportunities" from the 'EastMidsTenders' Portal); d) Express an interest.

Once you have expressed an interest, the RFI documentation can be accessed via the Messages area/section of the eProcurement Portal (ProContract - please access the Activity dashboard for this).

For further details on the Procurement Act, including registration on the Central Digital Platform, this can be found as follows:

Engagement process description

The Request for Information associated with this preliminary market engagement will survey Suppliers to determine if there have been any changes to the market, their capacity to meet the framework requirements, any potential risks in the market and feedback on ESPO's proposed procurement strategy.

For the purposes of this Preliminary market engagement (PME), please express your interest as follows:

(a) Go to <https://www.eastmidtenders.org/>; (b) Register (if not already registered on ProContract); (c) Search for tender opportunity '636_25' (via "View Opportunities" from the 'EastMidsTenders' Portal); d) Express an interest.

Once you have expressed an interest, the RFI documentation can be accessed via the Messages area/section of the eProcurement Portal (ProContract - please access the Activity dashboard for this).

In the case of any questions or clarifications relating to this PME, these should be submitted to ESPO by accessing the Messages area/section of the eProcurement Portal (ProContract) once an Expression of interest has been completed.

Economic operators should note that this is a Preliminary market engagement exercise (and NOT a competitive tender process at this stage). The participation of an economic operator in this Preliminary market engagement will not constitute any contractual agreement between the respondent and the Contracting Authority/Client. An economic operator's participation, or lack of participation, in this Preliminary market engagement shall not impact the ability of the economic operator to participate in any resulting tender exercise. Economic operators should note that any interest indicated does not constitute a commitment to participate in any future tendering exercise.
