Section II: Object

II.1) Scope of the procurement

II.1.1) Title

NHS Sheffield CCG : AQP Vasectomy Service (Non-Scalpel)

Reference number

SYPS/SHEF/TS/21/64

II.1.2) Main CPV code

- 85140000 - Miscellaneous health services

II.1.3) Type of contract

Services

II.1.4) Short description

The service will provide an option of either a one stage or two stage vasectomy procedures carried out under local anaesthetic, using the “no scalpel” technique, in community settings.

The health professional will promote the two stage process for vasectomy as this ensures the patient has a two week cooling off period before having permanent sterilisation.

The service clinics may be provided between core hours (09.00 – 17.00) but where possible there should also be out of hours provision in order to meet patient need and provide patient choice.

The service will offer advice to other primary and secondary healthcare professionals as necessary.

The service will:

Be patient-focused, safe and effective, equitable and cost effective.

All providers who meet the required entry criteria will be awarded a contract under AQP. This contract offers no guarantee of activity or patient flows.

II.1.5) Estimated total value

Value excluding VAT: £1

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKE32 - Sheffield

Main site or place of performance

Sheffield, South Yorkshire

II.2.4) Description of the procurement

Objectives

- To provide quality local community vasectomy services within Sheffield.
- To provide services that comply with accepted best practice, relevant guidelines in clinical practice and robust governance arrangements.
- To provide a complete holistic patient focussed care package; including pre and post operative care, information, advice and counselling.
- To provide an opportunity for men's Health Promotion.
- To ensure consistent and continuous care between health professionals, and effective and efficient communication.
- To improve access and convenience for patients.
- To improve patient choice.
- Patients are fully informed of the risks associated with the procedure including the permanency of the procedure and give full informed written consent prior to the operative procedure.
- There will be a clear referral pathway into specialised services for complicated cases; patients will be offered a choice of secondary care Providers. An Inter-provider minimum

dataset will accompany all onward referrals in such cases.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36
