- UKJ - South East (England)
- UKK - South West (England)
- UKG - West Midlands (England)
- UKE - Yorkshire and the Humber

Main site or place of performance

National contract across all TRG stock

II.2.4) Description of the procurement

Lot 1 - Commercial Lift replacements - upto 5 contractors appointed - National - Estimated ?900k per annum.

There are 39 commercial lifts to replace in 5 years.

For Lot 1 It is anticipated each year we will issue a list of the sites which require new installs

(our lift consultant will have drafted all of the documents to allow contractors to price) to all contractors appointed onto the framework to price, this will ensure accurate pricing, accurate savings and value for money as the package is more appealing to contractors.

It is intended the framework call offs will run annually ? this will be a framework mini completion based on the initial framework quality scores and evaluated on price alone for the package of work. The call off contract will be for the annual package of work via the JCT

MTC contract.

There will always be a requirement for ad-hoc life replacements and these will be issued via the framework also either via direct award or mini competition

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 60

Price - Weighting: 40

II.2.11) Information about options

Options: No
