II.2.4) Description of the procurement

Midlothian Council is seeking expressions of interest in the provision of a support service for people with complex profound and multiple learning disability within a newly renovated development in the centre of Loanhead. The service will be provided on a housing with support model.

The development represents a key element of the strategic redesign of Learning Disability services in Midlothian and will support people, regardless of the level, range and complexity of need, to live independently with the same choice, control, and protection as any other citizen, in an environment that enables them to stay safe and empower them to participate in their local community.

The renovation should be complete by July 2024 and will consist of four tenancies and a separate flat for short breaks attached to, but separated from, the main building. The rooms have been designed for people with profound and multiple learning disabilities and are accessible and barrier free. The tenants will be a diverse group of people and the support they require will be highly individualised and tailored to their particular needs, strengths and interests.

VI.3) Additional information

The tenants at Primrose Lodge will typically have a Profound and Multiple Learning Disability. This is a severe disability that will significantly affect their ability to communicate and be independent. Tenants might have difficulties seeing, hearing, speaking and moving. They will have complicated health and social care needs due to these and/or other conditions. They are likely to need support with all aspects of their daily lives such as eating, washing, personal care, and taking medication.

People's health and care needs are likely to fluctuate, and support will be provided 24 hours a day, seven days a week, by a specialist provider. Support will be on a 1:1, and sometimes a 2:1, basis by staff who are trained to deal with people's medical and social care needs. Staff will be supported by specialist disciplines such as nursing, physiotherapy, speech and language therapy, dietetics, and occupational therapy. Each tenant will have a specific and detailed care plan and moving and handling plan. The property will be fitted with tracking hoists, level access wet floor showers and other items such specialist beds and standing frames will be used by tenants in their day to day lives.
