The estimated value over the total framework agreement term is £120,000,000 inc VAT.

II.1.5) Estimated total value

Value excluding VAT: £96,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Internal Urinary Catheters and Accessories

Lot No

1

II.2.2) Additional CPV code(s)

- 33141200 - Catheters

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

For the supply of Intermittent Catheters, Suprapubic Catheter kit, Suprapubic Catheter, Self-retaining 2-way Catheters, Self-retaining 2-way Speciality Catheters, Self-retaining 3-way Catheters, Catheter tray, Catheterisation pack (not including catheter) Catheter Tap/valve, Catheter Spigot, Catheter Tube Fixation, Bladder irrigation set and Meatal dilators.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £42,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

It is anticipated that the Framework Agreement will have an initial term of 24 months (2 years) with an option to extend incrementally for a further two period of 12 months each (2 years). For the full 48 months. (4 years)

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

External Urinary Catheters and Sheaths

Lot No

2

II.2.2) Additional CPV code(s)

- 33141200 - Catheters

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

For the supply of External Catheter, Penile Sheath and Accessories.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £2,200,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

It is anticipated that the Framework Agreement will have an initial term of 24 months (2 years) with an option to extend incrementally for a further two period of 12 months each (2 years). For the full 48 months. (4 years)

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Urine Drainage bags and accessories

Lot No

3

II.2.2) Additional CPV code(s)

- 33141600 - Collector and collection bags, drainage and kits

- 33141615 - Bags for urine

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

For the supply of Urine Bag Leg Fitting, Urine Bag Night/Bed, Urine Bag Post Operative, Urine Bag Abdominal fitting, Urine meter, Catheter Bag Fixation, Catheter Bag Hangers.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £23,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

It is anticipated that the Framework Agreement will have an initial term of 24 months (2 years) with an option to extend incrementally for a further two period of 12 months each (2 years). For the full 48 months. (4 years)

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Urine flow monitoring system

Lot No

4

II.2.2) Additional CPV code(s)

- 33125000 - Urology, exploration devices

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

For the supply of Electronic and Non electronic Urine flow monitoring systems.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

It is anticipated that the Framework Agreement will have an initial term of 24 months (2 years) with an option to extend incrementally for a further two period of 12 months each (2 years). For the full 48 months. (4 years)

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Gels medicated and Non medicated

Lot No

5

II.2.2) Additional CPV code(s)

- 33125000 - Urology, exploration devices
- 33141240 - Catheter accessories

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

For the supply of Medicated and Non medicated gels.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £6,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

It is anticipated that the Framework Agreement will have an initial term of 24 months (2 years) with an option to extend incrementally for a further two period of 12 months each (2 years). For the full 48 months. (4 years)

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Bladder washout solutions

Lot No

6

II.2.2) Additional CPV code(s)

- 33125000 - Urology, exploration devices

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

For the supply of Medicated and Non medicated Bladder washout solutions.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £1,300,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

It is anticipated that the Framework Agreement will have an initial term of 24 months (2 years) with an option to extend incrementally for a further two period of 12 months each (2 years). For the full 48 months. (4 years)

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Urine collection devices

Lot No

7

II.2.2) Additional CPV code(s)

- 33125000 - Urology, exploration devices
- 33141600 - Collector and collection bags, drainage and kits
- 33141615 - Bags for urine

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

For the supply of Paediatric Urine Collection Bags, Urine Sample Collection Bottles, Pad Pack and Reusable Urinals.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £1,900,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

It is anticipated that the Framework Agreement will have an initial term of 24 months (2 years) with an option to extend incrementally for a further two period of 12 months each (2 years). For the full 48 months. (4 years)

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Enurisis Alarms

Lot No

8

II.2.2) Additional CPV code(s)

- 33125000 - Urology, exploration devices

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

For the supply of Enurisis Alarms and parts.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £45,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

It is anticipated that the Framework Agreement will have an initial term of 24 months (2 years) with an option to extend incrementally for a further two period of 12 months each (2 years). For the full 48 months. (4 years)

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Ultrasonic bacterial anti adhesion system for urinary catheter

Lot No

9

II.2.2) Additional CPV code(s)

- 33125000 - Urology, exploration devices
- 33141240 - Catheter accessories

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

For the supply of Ultrasonic anti adhesion system for urinary catheters.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £5,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

It is anticipated that the Framework Agreement will have an initial term of 24 months (2 years) with an option to extend incrementally for a further two period of 12 months each (2 years). For the full 48 months. (4 years)

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Bowel & Faecal Management

Lot No

10

II.2.2) Additional CPV code(s)

- 33125000 - Urology, exploration devices
- 33141621 - Incontinence kit

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

For the supply of Bowel Irrigation, Stoma irrigation, Anal or Stoma plug, Faecal Management System Internal, Faecal Management System External, Rectal catheters and Accessories.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £4,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

It is anticipated that the Framework Agreement will have an initial term of 24 months (2 years) with an option to extend incrementally for a further two period of 12 months each (2 years). For the full 48 months. (4 years)

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Enema Accessories

Lot No

11

II.2.2) Additional CPV code(s)

- 33125000 - Urology, exploration devices
- 33697100 - Enema preparations

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

For the supply of Emema Bag and Enema Tips

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £35,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

22 May 2023

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 3 (from the date stated for receipt of tender)

IV.2.7) Conditions for opening of tenders

Date

22 May 2023

Local time

1:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

Through continued market engagement, we recognise the need to review the Framework Agreement to reflect market changes to ensure that the NHS has access to the latest products and technologies .

We also recognised that there could be issues with supply over the term of the Framework Agreement.

We are, therefore, proposing that as part of the two 12 month extensions of the Framework Agreement for all Lots outlined within the ITT allows for reopening of Framework Agreement to allow any supplier (existing or new supplier) the opportunity to propose product innovations and development ideas that is made available on the market. This will be done through the range extension process only, this is to ensure that we can offer the latest products and associated technologies available to the NHS.

These specifications have been developed to support the inclusion of product and/or technology which was not available at the time of the original tender.

In relation to issues with supply (Supplier Resilience) of any of the product lines under any lot, we are also proposing the ability to reopen the Framework Agreement at any point during the term of the Framework Agreement.

In an event where we identify that an existing supplier is unable to supply a particular product line (in any of the lots) to the participating authorities at any point during the term of the Framework Agreement, that they were originally awarded, we will have the ability to reopen the Framework Agreement in order to appoint a new supplier onto the Framework Agreement to provide such a product line. If existing suppliers are able to provide that particular product line, we will also have the right to reopen the Framework Agreement.

As an awarded supplier, to one or more of these Lots, you will be consulted on any changes or additions proposed via innovation/development as well as any issues in regards to any Supplier Resilience. You will also be given the opportunity to also propose any product innovation or development and/or whether you have the availability to supply the products in an event that another existing supplier is unable to supply such a product line.

In both instances of reopening the Framework Agreement (Product Innovation/development and Supplier Resilience) we will ensure that we will notify the market in line with the relevant advertising requirements at the time and via our eProcurement Platform.

New suppliers and existing suppliers who propose or offer innovation/development or where there is a Supplier Resilience issue in any of the product lines within a Lot will have to meet specified requirements which include, and are not limited to, passing the product innovation MedTech Mandation route (if a product innovation/development proposal), adhering to the product specification and industry standards, ability to provide product support, and financial requirements before appointment to a Framework Agreement.

If the Supplier or new supplier is successful in meeting the requirements then that supplier will be awarded a contract under the Framework Agreement either under the new Lot 19 – for any product Innovation/development or under the Lot in which the Supplier Resilience has occurred and not any other Lot.

The Framework Agreement will include the following range of products: Urinary catheters and accessories, External urinary catheters and sheaths, Urine drainage bags and accessories, Urine flow monitoring systems, Gels - medicated and non-medicated, Bladder washout solutions, Urine collection devices, Enurisis alarms, Ultrasonic bacterial anti adhesion system for urinary catheters, Bowel and faecal management products, Enema tips and bags, stoma appliances and accessories, wound and fistula management, Urodynamic/surgery products, Skin care and protection, Chyme infusion management and Urethral Bulking Agents.

It is anticipated that initial expenditure will be in the region of £28,500,000 to £30, 000,000 inc VAT in the first year.
