II.1.4) Short description

The disabled facilities service (DFS) are a division of the Council responsible for making funding available cross tenure. Funding may be used towards the purchase and installation of specialist equipment; the provision of adaptations and works that prevent slips, trips and falls in and around the home where the applicant is able to prove to the Council that they meet the prevailing criteria.

The Disabled Facilities Service is a reactive service that administers cases as soon as they are received. The successful contractor will be expected to deliver quality adaptation works in order to meet the rigorous PI's that have been set.

The works primarily involve the adaptation of domestic properties as a result of the approval of a Disabled Facilities Grant or any Discretionary Grant awarded to the applicant. To support this area DFS operate a "Grant Agency Service" that provides a professional, technical and administrative service to the clients (service users).

Put simply, the Council provides a service whereby the service users can appoint the Council to administer the grant on the service users' behalf whilst working closely with health professionals such as the Community Occupational Therapy Service to ensure that the service users' needs are fully met.

The Authority intends to enter a Framework Agreement with multiple contractors for Lots 1 and 2, and a single contractor per lot for lot 3. The period of the framework agreements will be 2 years with the option to extend for up to a period of a further 2 years. The

Framework is expected to commence 1st November 2021.
