Award criteria

The successful tenderer will be selected based on an evaluation using the criteria set out below.

1. Price (20% of the total score value);

2. Quality criteria (80% of the total score value) comprising:

- Quality criteria 1: Proven experience and capability to undertake the services (65% of the total score value).

- Quality criteria 2: Proposed methods to ensure that the services are carried out as efficiently as possible in response to the short project timescale (15% of the total score value).

Calculated as follows:

Price 20%

$20 \times (\text{Lowest Tender Price}) / (\text{Tenderer X's Price})$

Quality criteria 1:

Experience and Capability to undertake the works (65%)

13 x score (see methodology in Section 2 of the Invitation to Tender)

Quality criteria 2:

Proposed methods and approach to delivery (15%)

3 x score (in Section 2 of the Invitation to Tender)
