North Staffordshire Combined Healthcare NHS Trust Out of Area Psychiatric Intensive Care Unit (PICU) Placement

Reference number

LD/RB02

II.1.2) Main CPV code

- 85111500 - Psychiatric hospital services

II.1.3) Type of contract

Services

II.1.4) Short description

This Contract award notice is placed under the Healthcare Services (Provider Selection Regime) Regulations 2023 Regulation 8 for Direct Award Process B where the ICB is awarding this contract having conducted spot purchasing analysis and concluded that this is the only available option.

The ICB has a choice of providers, and is not seeking to restrict the number of providers.

The Service is for specialised Psychiatric care for a named patient. Psychiatric Intensive Care Units (PICU) are specialist wards that provide inpatient mental health care, assessment and comprehensive treatment to individuals who are experiencing the most acutely disturbed phase of a serious mental disorder. The Contract has been awarded following direct award process B, at £989.00 per day for a nominal period of 4 weeks as the exact duration is unknown. The patient would be reviewed daily mon-fri and would be re-patriated where clinically appropriate.

Estimated total cost is £27,692. From 28th February 2025 to not known. The Trust had a spot purchasing arrangement with this provider in the past, and this is a continuation of that service for a new placement, now coming directly through the Trust whereas previously it sat under the ICB. The contract is new as the Trust are placing the contract directly but the arrangements have been previously in place under spot purchasing via the ICB.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £27,692

II.2) Description

II.2.3) Place of performance

Cost criterion - Name: Price and availability / Weighting: 100

II.2.11) Information about options

Options: Yes

Description of options

The placement will be reviewed weekly, and extended subject to the ongoing needs of the patient.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The service is Psychiatric Intensive Care Unit (PICU) inpatient beds. Psychiatric Intensive Care Units (PICU) are specialist wards that provide inpatient mental health care, assessment and comprehensive treatment to individuals who are experiencing the most acutely disturbed phase of a serious mental disorder. The contract has been awarded following direct award process B, at £989.00 per day for a nominal period of 4 weeks as the duration is unknown. The patient would be reviewed daily mon-fri and would be repatriated where clinically appropriate. Estimated total cost is £27,692.00, from 28th February 2025 to not known. The Trust had a spot purchasing arrangement with this provider in the past, and this is a continuation of that service for a new placement, now coming through the Trust, whereas previously it sat under the ICB. There were no alternative placements identified within the required timeframe.

The patient has no legal right to choose, but the Trust does not want to restrict the number of providers. This is highly specialised psychiatric services with limited availability nationally. All known providers were contacted to ascertain whether they could provide the required service, only this supplier responded in the required timeframe.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
