#### II.1.1) Title

NY Y CAMHS Early intervention support service

#### II.1.2) Main CPV code

- 85323000 - Community health services

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

The service will be an integrated referral system delivered alongside and referring into NY Y TEWV CAMHS. The service will provide early intervention group and 1:1 modalities to support children and young people. The aim of the service is to improve outcomes for children and young people's mental health by strengthening the range of mental health support available to children and young people. This includes:

- Early interventions for children and young people experiencing mild to moderate emotional and mental health difficulties. It is anticipated this will be primarily around low mood and anxiety.
- Contribute to schools developing a whole school approach towards emotional and mental well-being through the delivery of training and consultations.
- Contribute to the whole pathway of support within the i Thrive model in North Yorkshire primarily providing support in the 'Getting Advice' and 'Getting Help' quadrants. This service will reduce mainstream pressure and reduce secondary care referrals.
