Community benefits are included in this requirement. For more information see:
<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

Stirling Council is committed to supporting Scottish Government's aim of delivering procurement that improves public services for a prosperous, fairer and more sustainable Scotland.

Community Benefits are contractual requirements which deliver a wider social benefit in addition to the core purpose of the foregoing contract.

Please detail any community benefits specifically for the Stirling Council area which you will apply to this contract. We anticipate these may relate to improving employability, for example through job creation and/or provision of training and recruitment in the haulage sector, although they could also be support to local charities, groups, education facilities etc.
