II.2.4) Description of the procurement

Southend on Sea Borough Council (SBC) are looking for an experienced and competent Contractor to service, maintain, repair, carry out statutory inspections and provide

professional advice for its Heavy Good Vehicle (HGV) and other SBC fleet vehicles.

SBC are looking to reduce Greenhouse Gases (GHG) emissions and air pollutants from vehicles used in all Council operations. Our ambition is to replace old fleet vehicles where feasible with green alternative e.g., electric/or hybrid (where technology is available) to fit the operation needs. Our target date is to be carbon neutral or as close as possible by 2030. We will need to work in partnership with the successful contractor to meet these needs and have a shared strategy for implementation of this target.

The procurement process will be conducted electronically via the Council's electronic Tender Facility ProContract and in compliance with the Public Contract Regulations (2015) (as amended by The Public Procurement (Amendment etc.) (EU Exit) Regulations 2020)) in the form of an open tender procedure.

It is intended that the highest scoring bid will be awarded the contract on a 35:65 quality: price basis. If two or more Tenderers obtain the highest total score, the Tenderer with the highest score for the 'Commercial Questionnaire' element of the tender evaluation will be deemed the winner and awarded the Contract. All selection and award criteria are set out in the tender documents.
