Railway services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

DDaT Data Centre Refresh and Transformation

II.1.2) Main CPV code

- 72222300 - Information technology services

II.1.3) Type of contract

Services

II.1.4) Short description

This project is for a single partner to provide data centre infrastructure services (DCIS).

The scope of the contract covers services needed to support NRIL's data centre infrastructure hosted within data centers, LAN/Edge compute rooms and Cloud Platforms. It includes networks (LAN and WAN), platforms, mainframe, servers, specified applications including tools and services required to effectively operate the infrastructure.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 72222300 - Information technology services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The key objective of this project and sourcing event is to provide better value for money from improved efficiencies and service performance through:

- greater cost transparency
- development and implementation of a single operating model
- optimised service model aligned with best practice
- consolidation of multiple service contracts and thereby minimise duplicated effort
- clearer Service ownership and improved Delivery
- alignment of incentives with objectives.
- reducing interfaces and touchpoints while making best use of technical tools and operational resources.
- reduced organisational complexity and interface volumes
- allow for demand growth within NRIL over the term

Network Rail DDaT is pleased to hosting Pre-Market Engagement Supplier Event.

We invite you to join with our senior leadership, commercial and procurement teams where we reveal detailed information about our new strategic direction and provide further information for the upcoming tender process prior to the issuance of the Invitation to Tender (ITT).

The event will be held in Milton Keynes on Friday 2nd May 2025.

Given the significant size and scope of the tender, we aim to ensure that all attending parties are well-prepared and meet the necessary assurance levels.

Please RSVP by 11th April 2025 to express interest for registering for the event using the following link: <https://forms.office.com/e/vmQdgVEpaX>

II.3) Estimated date of publication of contract notice

26 May 2025

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
