II.1.1) Title

NHS England South West - Provision of a Risk Stratification Solution

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

NHS England South West would like to invite Suppliers to participate in market engagement activities regarding the provision of a Risk Stratification solution on behalf of the ICBs within the region.

This is part of a wider Remote Health Management programme which aims to incorporate risk stratification capabilities, and remote monitoring or management pilots within its delivery ambitions to support improved and person-centred care for South West citizens.

The aim of the risk stratification solution is to support integrated neighbourhood teams to risk stratify cohorts of patients for the purpose of identifying those at risk of an experiencing hospital attendance within 6 -12 months.

The market engagement will comprise of a virtual engagement event and a questionnaire which will give suppliers an opportunity to shape and inform thinking to aid the development of the specification and procurement strategy.

The market engagement event will take place via MS Teams on 3rd May 2023 between 14:00 and 15:30. The event will offer insight on the region's current thinking on the future delivery of these services which form part of the wider Remote Health Management Programme.

The market engagement questionnaire is available via the e-procurement system, Atamis. Interested suppliers will be invited to complete this by the 9th May 2023.

Interested suppliers will be able to view this opportunity via the live opportunities list on the 'Health Family' e-procurement system, Atamis. Click on 'View our Live Opportunities'

from the home page, available on the following link: <https://health-family.force.com/s/Welcome>.

Once you have found the opportunity (via the search function, using the title or reference number C165651), to gain full access to the documentation (including questionnaires), you will need to click on 'Register interest' - this will take you to the log-in page.

If you are not already registered on the system, you will need to do so before gaining full access to the documentation.

Should there be any issues with accessing the e-procurement system please direct your queries to the following email address - commercial.procurementhub@nhs.net.

This notice is an information gathering exercise rather than a call for competition in its own right, and therefore publication or response does not commit NHSE South West or respondents to a future procurement,

This process is being carried out by NHS England National Commercial & Procurement Hub.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)
