Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- No tenders or no suitable tenders/requests to participate in response to restricted procedure
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

(a) NCC Group are the only supplier able to provide software that meets all the MoD's requirements, including its technical and airworthiness safety requirements. The ASCE application is registered on the Defence Application Register as an MOD approved application. To transfer to 3rd party software, software support and

training would create significant and unacceptable risk to Air Safety across multiple Aircraft Platforms resulting in a loss of airworthiness and a substantial and unacceptable reduction in the operability of all the affected aircraft platforms.

(b) only NCC Group, as the Original Equipment Manufacturer of the Software, associated software support and training, have the necessary skills, experience and knowledge to provide the required technical support and user training and

(c) only NCC Group have access to the necessary technical data, as they own the background IP to the software's generic modules and source code required to provide the technical support.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
