The use of independent sector capacity is a core part of the Health Board's plan for both stability and recovery within and following the pandemic period and will enable the reduction in the number of patients waiting for critical surgeries.

St Joseph's will provide dedicated NHS access for a facility rental agreement with an option for NHS surgeons and anaesthetists to operate for one full theatre per week with supporting inpatient and outpatient facilities as well as for Radiology and Endoscopy procedures to be completed on a cost per case basis.

The contract will deliver;

The theatre will accommodate weekend work if required. All equipment, consumables, and theatre staff (excluding surgeon and anaesthetist) shall be provided.
- b) Facility rental for Inpatient services - inpatient capacity (12 rooms) and 5 day case pods for use by CVUHB. All inpatient rooms are en-suite and single occupancy to reduce any cross-infection risks. All nursing staff, consumables, pharmacy and RMO for post-op care and escalation of concerns to relevant consultant, if required, will be provided.
