#### **II.1.4) Short description**

NHS London Procurement Partnership (NHS LPP) is procuring a framework for the supply of medical gases and associated items/services. The framework is to operate across the UK and will be open to all UK public sector bodies to access via a signed access agreement. For a full list of Participating Authorities refer to document Appendix A9 in the tender pack.

The framework is a collaborative procurement with four NHS procurement hubs (known as NHS Procurement in Partnership (NHS PiP)). The procurement hubs are listed below in alphabetical order:

1. East of England NHS Collaborative Procurement hub

2. NHS Commercial Solutions
3. NHS London Procurement Partnership
4. North of England NHS Commercial Procurement Collaborative

The proposed procurement will deliver a National Framework Agreement over a 4 year period. This will be delivered through four Lots which are:

- the provision of liquid medical oxygen
- medical gas cylinders with associated tracking
- nitric oxide therapy
- national ambulance service medical gas cylinders

The Framework will run for a 4 year term.
