club.

Key outcomes of each Essex ActivAte club are:

- To provide free and inclusive holiday activity clubs for eligible young people
- To provide a safe environment for young people to attend in the school holidays
- To provide a fun, high quality holiday club experience for the young people
- To support the social skills of the young people attending
- To provide mentors and role model through the Essex ActivAte club staff
- To ensure that young people have at least 1 nutritious meal each day
- To provide education for the young people and whole family around eating more healthy, nutritious meals, on a budget

- Providing signposting and support for the whole family so that they have the understanding and

knowledge to improve their physical and mental health and wellbeing, support network and

opportunities.
