<http://www.canterbury.gov.uk>

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Canterbury City Council Car Parking Solution and Equipment

Reference number

DN718526

II.1.2) Main CPV code

- 50000000 - Repair and maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

Canterbury City Council ('the Council') having entered into a contract for the provisions of Car Parking solution and equipment, including ANPR in 2018 is intending to enter into a further contract with the current provider by making use of Regulation 32 (2)(b) of the Public Contracts Regulations 2015 (as amended). The reason for this is that the Council believes that due to the equipment currently installed, the services can only be supplied by the current contractor and that there is, for technical reasons, no completion available and therefore no tenderer who would be able to provide the services with the current equipment.

The Council therefore proposes to enter into a further contract with the current provider until the end of the lifecycle of the equipment, namely until 18.06.2027 following which the Council will enter into a new contract following a competitive procurement process.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Lowest offer: £732,000 / Highest offer: £1,200,000 taken into consideration

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKJ - South East (England)

II.2.4) Description of the procurement

Canterbury City Council ('the Council') having entered into a contract for the provisions of Car Parking solution and equipment, including ANPR in 2018 is intending to enter into a further contract with the current provider by making use of Regulation 32 (2)(b) of the Public Contracts Regulations 2015 (as amended). The reason for this is that the Council believes that due to the equipment currently installed, the services can only be supplied by the current contractor and that there is, for technical reasons, no completion available and therefore no tenderer who would be able to provide the services with the current equipment.

The Council therefore proposes to enter into a further contract with the current provider until the end of the lifecycle of the equipment, namely until 18.06.2027 following which the Council will enter into a new contract following a competitive procurement process.

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons
- Additional deliveries by the original supplier
- New works/services, constituting a repetition of existing works/services

Explanation:

Canterbury City Council ('the Council') having entered into a contract for the provisions of Car Parking solution and equipment, including ANPR in 2018 is intending to enter into a further contract with the current provider by making use of Regulation 32 (2)(b) of the Public Contracts Regulations 2015 (as amended). The reason for this is that the Council believes that due to the equipment currently installed, the services can only be supplied by the current contractor and that there is, for technical reasons, no completion available and therefore no tenderer who would be able to provide the services with the current equipment.

The Council therefore proposes to enter into a further contract with the current provider until the end of the lifecycle of the equipment, namely until 18.06.2027 following which the Council will enter into a new contract following a competitive procurement process.
