NHS Shared Business Services act in an Agency capacity for and on behalf of its customers (Approved Organisations) - existing and new. These comprise of NHS and Social Care organisations (whether acting individually, or on behalf of, or together as members of any consortia) along with any other public or private sector bodies which NHS SBS authorises to use the resulting Framework.

NHS Shared Business Services Limited (NHS SBS) intends to put in place a Framework Agreement for the provision of Online Sexual Health Services to be used by NHS SBS Approved Organisations. Approved Organisations are NHS and Social Care organisations (whether acting individually, or on behalf of, or together as members of any consortia) or any

combined authority, integrated care board, local authority, NHS England, NHS foundation trust, NHS trust or any other body listed as a "relevant authority" in the National Health Service Act 2006, which the Authority authorises to use the resulting Framework.

Please note that the previous name for this opportunity, as published in the PIN, was "Integrated Sexual Health Services".

Our Approved Organisation list can be found on:

<https://www.sbs.nhs.uk/services/framework-agreements-categories/>

The Framework will be structured using the following Lots;

Lot 1 - Online STI Testing and Treatment

Lot 2 - Online Contraception

Lot 3 - Online PrEP and PEP

We are committed to working with suppliers who are dedicated to Sustainability and Social Value and there will be a significant weighting on these elements in the tender.

The term of the framework agreement will be 48 months.
