Centre for Alternative Technology, Machynlleth, Wales.

II.2.4) Description of the procurement

Cynefin Project - Green Heart of Wales: Professional Services

This is an exciting opportunity to support the work of the Centre for Alternative Technology (CAT). CAT is an internationally renowned environmental charity, a world-leading eco centre, and one of the foremost providers of postgraduate environmental education in the UK.

The aim of Cynefin is to transform CAT's capacity to provide the skills, knowledge and understanding needed in the transition to a zero-carbon economy, helping create a sustainable future for all humanity as part of a thriving natural world. Through the creation of a flagship regional sustainable tourism destination and a world-leading skills centre, the project aims to build on CAT's 45-year history of innovation in environmental solutions and offer a significant new contribution to Wales' reputation as a leader in sustainability.

This is a sizable and complicated project, involving the following activities:

- New build exhibition spaces.
- New build student and leisure accommodation.
- Refurbishment of existing buildings of a variety of construction types.
- Refurbishment of the existing water-balance railway line.
- Extensive landscaping and ecological works.
- New drainage, water treatment, heating, electrical and communications infrastructure.
- New car parking facilities and the upgrade of existing roads and paths.
- New visitor facilities including cafés, play areas, interpretation, and signage.
- Reorganisation of the estate facilities, offices and logistics.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 70%

Price - Weighting: 30%

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

List and brief description of selection criteria

The Client may only select a bidding organisation to progress to the scored tender stage if it can demonstrate experience of three relevant and comparable example projects completed within the past eight years. The Client considers previous experience as being relevant to the requirement if the evidence provided includes examples of the following project challenges (in no particular order of priority):

Minimum level(s) of standards possibly required

- High value or complicated projects that are phased or include partial occupation.
- Projects requiring the procurement and management of extensive client direct packages.
- Projects requiring the procurement of design teams and specialist secondary consultants through Public Procurement Tendering where fees are above the PPR thresholds.
- The management of the procurement, design, and delivery of cultural or public spaces such as theatres, museums, universities, or visitor attractions.
- Projects involving significant infrastructure works.
- The design of buildings which meet a high level of sustainable design such as BREEAM Excellent.

Each example must include evidence of meeting a significant number (but not all) of these challenges.

III.2) Conditions related to the contract

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV. Procedure
