#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

Background

Hampshire Country Council Public Health and the Isle of Wight (IOW) Public Health team are seeking to procure an exciting new service to deliver the NHS Health Check catch-up programme.

This catch-up service is required due to the backlog of residents not invited for an NHS Health Check during the Covid-19 Pandemic. NHS Health Checks are currently provided in Hampshire and the IOW through general practice, however not all practices are able to restart the programme and/or deliver catch-up of those outstanding over the pandemic period. The provider of this service will therefore work closely with general practices who have opted-in to support NHS Health Check delivery in this way.

We anticipate this service could be provided by a variety of organisations including GP federations, other healthcare organisations, leisure providers or others.

We are seeking to understand the market interest in delivering this programme and what options of delivery models are available to inform development of our service specification.

A market engagement event will be held via Microsoft Teams at 10:30am on Thursday 27th April 2023.

## Agenda for the market engagement event

- 1) Welcome and Introductions
- 2) Service Overview, Aims and Outcomes
- 3) Tendering Process
- 4) Questions from the commissioner
- 5) Q&A feedback from the Market

## How to join the event

- Please ensure you are registered on Hampshire County Council's e-tendering system, In-Tend Hampshire County Council Electronic Tendering Site - Home <https://in-tendhost.co.uk/hampshire.aspx/Home>
- Please express interest in project reference AS21235 and the project title NHS Health Checks Catch-Up Programme.
- The event will take place as a virtual meeting via Microsoft Teams. We kindly request that to attend the event, register yourselves onto our e-tendering portal, In-Tend and send the contact email details of your attendee via the correspondence function within In-Tend.
- An invite will be sent to the submitted email contact and they will be able to join the meeting at the time of the event. If you do not have access to Microsoft Teams, you will be able to continue to the meeting via your browser. Please see guidance regarding Microsoft Teams below for guidance:
