## **VII.2) Information about modifications**

### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

This award was made in what the relevant authority considered to be urgent circumstances. The modification extends the existing contract by 2 months, effective 1st April 2024- 31st May 2024 to allow for continued service provision while a new contract is put in place for the period 1st June 2024- 31st March 2025.

### **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Negotiations to agree the terms of a contract for 24/25 have taken longer than expected. The relevant authority considers that it is not possible to satisfy the requirements of regulations 6 to 13 before the term of the existing contract expires and needs to ensure there is service provision in place.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £18,305,293
