II.1.4) Short description

The Satellite Applications Catapult (SAC) in partnership with the Buckinghamshire Local Enterprise Partnership (Bucks LEP) have invested in the development of a Drone Test and Development Centre (DTDC). This dedicated facility located on the Westcott Venture Park comprising of a set of drone workshops and hangars, 270 metres of horizontal or vertical take-off runway and four dedicated drone VTOL UAS pads, became operational in 2023.

The facility provides the ground infrastructure for Unmanned Aerial Systems (UAS) operations and onward development of UAS and their associated technology, and now requires the deployment of dedicated management information systems to govern its airspace and to ensure safe operation in a complex operating environment.

For more information please see the attached document.
