Text

To establish a DPS for a period of 10 years for the provision of a wide range of construction consultancy services primarily but not exclusively to support construction works for housing, education, regeneration and general construction projects.

It is anticipated that the majority of the work will be undertaken within the London Borough of Tower Hamlets but the DPS will be available for use by local authorities throughout the UK.

The DPS is scheduled to last for 10 years and commissions will be exercised via mini-competitions only.

Details of the range of services being sought and method for application to join the DPS can be found in the tender documentation.
