This is a Provider Selection Regime (PSR) confirmation of contract award notice. This contract has been awarded under the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. This contract has now been formally awarded using direct award process C.

The contract was awarded for the period 1 April 2024 to 31 March 2026. The lifetime value of the contract is £9,507,584.

A provider representation was received during the standstill period. A Provider Representation Panel was convened. The membership of the panel was in line with the approved Terms of Reference. No conflicts of interest were identified.

Following the review, the Panel concluded that it was satisfied the ICB had applied the regime correctly and made the appropriate provider selection decision.
