Section VI. Complementary information

VI.3) Additional information

This stage is the opportunity for interested parties to consult with Scotland Excel in relation to the upcoming framework. Scotland Excel endeavours to implement the most effective framework for both purchasers and suppliers and therefore invites suppliers to provide input in relation to the potential scope and structure of the renewal framework. Due to the size of the market base, the consultation will be conducted via the following survey:

<https://www.smartsurvey.co.uk/s/ETCPIN/>

All interested parties are encouraged to complete the market consultation survey and to provide as much relevant detail as possible as this is the core opportunity to feed into framework development. Scotland Excel may invite a representative group of respondents to conduct teleconference meetings.

Scotland Excel envisages publishing a future tender opportunity on behalf of all 32 local authorities in Scotland, together with any

Integration Authority, or other body, established pursuant to the Public Bodies (Joint Working)(Scotland) Act 2014.

For more information about Scotland Excel and its members, please see <http://www.scotland-excel.org.uk>
