itsbidsupport@capita.co.uk

Country

United Kingdom

NUTS code

- UK - United Kingdom

Internet address

<https://etendersni.gov.uk/epps>

The contractor/concessionaire is an SME

No

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The contract has been modified to allow Department for Infrastructure, Driver and Vehicle Agency to increase the overall contract value to allow for additional spend, and to extend the contract expiry date to 31/03/2027 on an optional 1 year + 1 year basis.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

To ensure continuity of service to the DVA for their critical business functions, the DVA require an uplift to the contract value, and an extension to the contract period of up to two years, on a 1 year + 1 year basis. This is on the basis that DVA require Capita IT services to continue to provide increased levels of technical expertise and knowledge which no other could provide due to the continuing impact of the pandemic to testing services and the level of additional out of hours support which continue to be required to manage the backlog. The Authority will be relying on Regulation 72(1) (b) Additional works, services or supplies “have become necessary” and were not included in the initial procurement and a change of supplier would not be practicable (for economic, technical or interoperability reasons) and would involve substantial inconvenience/duplication of costs. This modification is for a total of £345,394.11 leading to a revised contract value of £2,127,907.40.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1,726,970.55

Total contract value after the modifications

Value excluding VAT: £2,072,364.66
