#### **II.2.14) Additional information**

<https://homeoffice.app.jaggaer.com/>

### **II.3) Estimated date of publication of contract notice**

30 September 2021

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: No

---

## **Section VI. Complementary information**

### **VI.3) Additional information**

The Home Office seeks to engage with potential providers for their views on the following potential requirements:

- Price of equipment
- Technical specifications of equipment
- Warrantee on equipment
- Service options
- Capability of the market to delivery up to several hundred devices
- Capability of the market to provide devices for testing
- Nature of services
- Service options e.g. what maintenance can the Authority do itself
- Parts options: e.g. what options are there for spares, can 3rd party batteries be used etc.

Responses are required by 11 June 21, to gain access to the proforma and to submit a response, you must first be registered on the eSourcingSuite you will then be required to agree to an NDA before the proforma can be issued to you.

The identifier “HO HS RNCT01” will be used on relevant documents within the system and the the Jaggaer reference is Project\_220.

If you have not already yet registered on the eSourcing Suite, it can be done online at

<https://homeoffice.app.jaggaer.com/>

by following the link 'Supplier eSourcing Registration'.

Initial views will be gathered from interested organisations through a questionnaire and may be followed up by an online event and / or 1 to 1 discussions to gather further market insights. Further information will be shared with all interested organisations.
