## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Additional funding has been received enabling expansion of the service provided it's spend this financial year and we require bespoke solutions that will take time to deliver. This was unforeseen and is time critical. It would also cause us technical difficulties if there were more than one contractor providing the same service, which would be disproportionate to the contract and result in significant internal costs. The expansion of the target hardening service is a repetition of the current contract that was advertised using the open procedure.

Extreme urgency brought about by events unforeseeable for the contracting authority and in accordance with the strict conditions stated in the directive

- Additional deliveries by the original supplier ordered under the strict conditions stated in the directive
- New works/services, constituting a repetition of existing works/services and ordered in accordance with the strict conditions stated in the directive

#### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
