General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Provision of Window and Glazing Cleaning – 2022-2025

Reference number

NLC-CPT-21-020

II.1.2) Main CPV code

- 90911300 - Window-cleaning services

II.1.3) Type of contract

Services

II.1.4) Short description

The establishment of a contract for the provision of window and glazing cleaning to various buildings and structures owned and/or operated by North Lanarkshire Council. Buildings and structures that fall within scope of this project include but are not limited to office accommodation, schools and educational establishments, depots and warehouses, residential and care facilities, concert venues, libraries, halls, pedestrian bridges and glazed structures. Services required to be delivered throughout the duration of the contract will fall within general window and glazing cleaning however in some instances, properties and structures may require specialist access techniques to be undertaken due to design features to undertake and complete requirements. As a result, contractors may be required to undertake works via specialist access methods such as; long water fed poles, mobile elevated work platforms, self-propelled booms, cradles and rope access and have to demonstrate their ability and experience to undertake such work. Contractors will be required to demonstrate good Covid practices as they will be required to enter into Council properties and this will be detailed within the Specification.

II.1.5) Estimated total value

Value excluding VAT: £320,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

- 90911300 - Window-cleaning services

II.2.3) Place of performance

NUTS codes

- UKM84 - North Lanarkshire

II.2.4) Description of the procurement

Lot 1 comprises of buildings and property that allows North Lanarkshire Council and its Arm's Length External Organisations (ALEO's) to undertake its daily operational business as well as facilities utilised by the general public. Requirements within Lot 1 include but are not limited to, small single storey buildings to large office complexes up to 10 storeys, depots and warehouses, leisure centres, libraries and halls.

Lot 1 also contains a number of specialist structures that require glazing to be cleaned due to their specialist design features.

A number of buildings within this lot will/may require specialist access techniques to be utilised due to design features to undertake and complete requirements. As a result, the successful Bidder may be required to undertake works via specialist access methods such as: long water fed poles, Mobile Elevated Work Platforms, self-propelled booms, cradles and rope access and have to demonstrate their ability and experience to undertake such work.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 30

Price - Weighting: 70

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

Optional extension periods no less than three months each with a maximum extension period of 12 months from the expiry of the initial contract period.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Economic operators may be excluded from this competition if they are in any of the situations referred to in regulation 58 of the Public Contracts (Scotland) Regulations 2015.

II.2) Description

II.2.1) Title

Educational Establishments

Lot No

2

II.2.2) Additional CPV code(s)

- 90911300 - Window-cleaning services

II.2.3) Place of performance

NUTS codes

- UKM84 - North Lanarkshire

II.2.4) Description of the procurement

Lot 2 comprises of all Educational establishments maintained by the Councils Facility Support Services on behalf of the Councils Education, Skills and Youth Employment Services. Lot 2 requirements include Nursery Schools, Primary Schools, Secondary Schools and Additional Support Needs Schools. These will consist of one internal and one external clean per annum per school of all external windows. In the main Primary schools require to be scheduled within term time and access times would be typically between 7.00am and 4.00pm.

Currently there are 17 campuses within Lot 2 that are Public Private Partnership (PPP) buildings. These schools are owned by ENGIE and as a result, the successful Bidder within Lot 2 may have to undergo a separate vetting process in order to undertake work at PPP schools. Frequency is two internal and two external cleans per annum per campus of all external windows. Please note that Primary schools within PPP should be scheduled for Easter and October and Secondary schools within PPP should be scheduled for Summer break and Christmas Break.

A number of buildings within this lot will require specialist access techniques to be utilised due to design features to undertake and complete requirements. As a result, the successful Bidder may be required to undertake works via specialist access methods such as: long water fed poles, Mobile Elevated Work Platforms, self-propelled booms, cradles and rope access and have to demonstrate their ability and experience to undertake such work.

Due to the nature of the surroundings that work is required to be undertaken within Lot 2, the Protection of Vulnerable Groups (Scotland) Act 2007 may be applicable. Additional information on the Act can be found within Part 8 of the Specification.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 30

Price - Weighting: 70

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

The council reserves the right before moving from selection stage to award stage to request candidates produce supporting documentary evidence or certificates referenced in their ESPD response. In any case, these must be provided prior to contract award.

.

Tenderers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

.

All establishment/structures stated are visible from public roads, paths, pavements etc which will enable pricing to be undertaken without gaining access to the property. Site visits are not permitted due to Covid 19.

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 18760. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

A sub-contract clause has been included in this contract. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363>

Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

The Contractor and its supply chain will be required to actively participate in the achievement of social, environmental and/or sustainability policy objectives relating to local regeneration, social and economic growth, recruitment, employment and training and supply chain initiatives.

.

The Contractor will be required to provide access to opportunities to SMEs wherever possible and will advertise all subcontract opportunities linked to the contract using the Public Contracts Scotland Portal.

.

The Contractor will be required to ensure that all subcontractors advertise all their subcontracts as described above. In addition, they will be required to identify and provide access to opportunities linked to the contract to social enterprises wherever possible.

.

Where job vacancies related to the contract arise within the Contractor's organisation, they will be required wherever possible and appropriate, to provide access to employment and training opportunities aimed specifically at unemployed individuals and to use all reasonable endeavours to fill those posts with such persons. The Contractor should also link in where possible and appropriate to school, student, graduate and other work experience programmes.

.

The Contractor will be required to detail the community benefits your organisation will deliver if successful in this tender opportunity within Attachment 05 Award Questionnaire.

(SC Ref:654626)
