Tenders are invited for the Provision of Street Furniture and Advertising Services. The successful Service Provider will be responsible for providing the Works and all associated services including maintenance. The Council is looking for an innovative, creative and dynamic forward-looking Service Provider to develop a new world class digital infrastructure across Derby. Although back lit paper advertising is an option, the portfolio should maximise

the use of digital advertising operations where economically viable, together with the deployment of new and emerging technologies. Implementation, sales and management should attract regional, national and international advertisers to the vibrant population of residents within Derby.

Please note, suppliers wishing to express interest and obtain the documentation, must do so by 23:30 on 11/06/2021. It is recommended that you express an interest and obtain the

documentation well before this time to allow sufficient time to prepare and submit a comprehensive response. The deadline for returns is 10:00 on 14/06/2021. Please visit the Council's e-tendering system <https://www.eastmidstenders.org> where you can express interest and obtain the documents. Please note we will only accept expressions of interest
