Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Project Academy

II.1.2) Main CPV code

- 80000000 - Education and training services

II.1.3) Type of contract

Services

II.1.4) Short description

This Prior Information Notice (PIN), without call for competition, is to alert the market that Sellafeld Ltd intends to commence market engagement activity for the forthcoming Project Academy Contract Opportunity.

As a result of this PIN and as part of the market engagement activity, Sellafeld Ltd is seeking to obtain feedback on the proposed scope and delivery models that are currently under consideration, as set out in the supporting Project Academy PIN Information documents shared via Atamis, as referred to in II.2.14.1 Additional Information.

Interested parties can provide their feedback on the proposed delivery models and proposed transition period post contract placement by completing a Request for Information (RfI) template which can be obtained from, and when completed submitted via Atamis, as referred to in II.2.14.1 Additional Information.

II.1.5) Estimated total value

Value excluding VAT: £20,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKD1 - Cumbria

Main site or place of performance

Cumbria

Warrington

Opportunity for online / remote delivery.

There may also be a requirement for face to face delivery in other NDA Group locations in the UK (please see supporting documents in Atamis).

II.2.4) Description of the procurement

This opportunity will be the successor to the current Project Academy. Project Academy for Sellafield was originally established in 2016. It delivers project management short courses, professional qualifications and degree programmes to prepare and educate employees in Sellafield's West Cumbria and Warrington locations for the changing landscape of project management.

The Project Academy is not a physical place; instead it is an integrated pathway of education, training, development and professional qualification.

The Project Academy will provide a centre of excellence for the development of project delivery skills and will allow the NDA Estate to develop their growing capability to deliver our projects. As the Sellafield and NDA mission changes we need to ensure that all of the people working on our sites are provided with the education, training and professional qualifications required to deliver our unique and complex projects.

The proposed strategy for the agreement duration is up to a maximum of 9-year framework, with optional break point at year 5.

The value of the opportunity will be subject to demand across Sellafield Ltd and the NDA Estate, but for planning purposes the estimate of the anticipated framework value for the maximum duration of 9 years is £20,000,000 (£20m).

II.2.14) Additional information

As referenced to in II.1.4) Short description, the market engagement activity will be managed via the shared service Nuclear Decommissioning Authority (NDA) OneNDA eCommerce Systems powered by Atamis (Atamis), which can be accessed via the URL

<https://atamis-2464.my.site.com/s/Welcome>.

Along with the issue of potential further PIN's going forward, Atamis will be used to facilitate

and provide details of further Market Engagement activity that we intend to use going forward such as webinars, and potential further Rfl requests. It is therefore important that interested organisations monitor Contracts Finder, the Find a Tender Service and Atamis for further PIN's and market engagement activities relating to the Project Academy Contract Opportunity.

Once you have registered on Atamis, you can access using the record reference C19166, the Project Academy draft scope and the Rfl template documents referred to in II.1.4.1 Short Description above.

If you are interested in providing feedback on our draft scope, proposed delivery models and proposed transition period post contract placement, you should again access Atamis using record reference C19166 and upload and return your completed Rfl template by attaching it to a message using the 'New Messages' functionality. Completed Rfl's should be returned at the earliest opportunity and preferably by 12:00 on Tuesday 2nd May 2024.

II.3) Estimated date of publication of contract notice

30 September 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

Duration of a maximum of 9 years is currently being considered for this opportunity to allow for a potential investment from the successful bidder.
