II.1.1) Title

Provision of Air Conditioning, Heat Pumps, Ventilation & Refrigeration Maintenance

Reference number

DH175

II.1.2) Main CPV code

- 50000000 - Repair and maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

Dorset HealthCare University NHS Foundation Trust is largest provider of community and mental health services in Dorset. We are currently looking to appoint a contractor(s) to conduct planned preventative maintenance on all the Trust Air Conditioning, Heat Pump, Ventilation & Refrigeration units located at various sites across Dorset. There will be 5 Lots.

- Split Systems/ Heat Pumps/DX Split Systems
- Cold Rooms and Walk in Freezers
- Medical Fridges and Freezers
- Reverse Heat Pump Units (Clivet)
- Free Standing Fridges

The successful contractor(s) will be expected to conduct a comprehensive planned preventative maintenance service including reactive works on an ad-hoc basis for all the Trusts assets in conjunction with the lots specified above. The contractor(s) will also be required to provide the necessary infrastructure to be able support the Trust with the planned routine visits and the reactive call outs in accordance with the specification.

II.1.5) Estimated total value

Value excluding VAT: £366,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 5

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Offers will be invited for one or more of 5 lots detailed herein:

The Awarding Authority retains the right to determine if it should let a specific lot and is not required to let any or all lots.

The Awarding Authority does not commit to letting a contract(s) for any or all the components above, should it become evident that it is not economically advantageous to do so.
