Contract

GSTT HV Cable Replacement Project

Guy's and St Thomas' NHS Foundation Trust

UK7: Contract details notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2026/S 000-011734

Procurement identifier (OCID): ocds-h6vhtk-064c20

Published 10 February 2026, 11:06am

Scope

Reference

C397709

Description

The works comprise the replacement of three existing 11 kV Paper Insulated Lead Covered (PILC) feeder cables supplying Guy's Hospital, which are exhibiting insulation oil leakage and

present a risk of circuit failure. The project will install new 240 mm² BS 7835 11 kV LSZH XLPE single-core AWA cables, installed in trefoil formation on new heavy-duty galvanised steel cable ladder systems with appropriately rated trefoil cleats. The new cable routes traverse internal plantrooms, service ducts, service tunnels, ceiling voids and external roof areas. Works within service ducts and tunnels require confined-space trained operatives and a dedicated rescue team.
