II.1.1) Title

Sustainability Consultancy

Reference number

BS2390.2022

#### II.1.2) Main CPV code

• 71621000 - Technical analysis or consultancy services

### II.1.3) Type of contract

Services

### II.1.4) Short description

OS is running a proof of concept to test the requirements for baselining, monitoring and validation of land and assets for disclosure and verifiable annual reporting purposes. We are looking for a consultant to support a live project, testing where geospatial information can support regulatory needs and requirements.

In order to support the business, we require a consultant to have the following capabilities:

- 1) Understand and distil key legal requirements, legislation, and standards
- 2) Understand and have experience in using geospatial data to support land-based queries and monitoring
- 3) Have experience in creating robust products and services to support land-based queries and monitoring
- 4) Experienced in systems strategy and architecture
- 5) Able to provide comprehensive input into the validation and monitoring system development
- 5) To operate as part of a remote team as an external adviser and critical friend

#### II.1.5) Estimated total value

Value excluding VAT: £25,000

#### II.1.6) Information about lots

This contract is divided into lots: No

### II.2) Description

### II.2.2) Additional CPV code(s)

• 71600000 - Technical testing, analysis and consultancy services

### II.2.3) Place of performance
