Description

The requirement is for the supplier to transfer to Historic England a copy of the heritage information they have generated in the course of development-led investigations.

In principle, the heritage information that HE is seeking relates to development-led investigations linked to developments that have been subject to offshore agreements with The Crown Estate.

Wessex Archaeology Limited hold information that they have previously been retained to assess by The Crown Estate via developers. These data have been archived and stored by Wessex Archaeology Limited and are unique to this company, therefore requiring the single supplier direct award.
