II.1.4) Short description

Transport for West Midlands (TfWM) is seeking to appoint a single Service Provider to undertake the detailed design of the Local Area Traffic Management and Parking (LATMP) plans and the Games Route Network (GRN) for the Birmingham 2022 Commonwealth Games (CWG). In addition, the appointed Service Provider will provide on-going support as and when required to the TfWM Games Traffic Management (TM) team until the end of the CWG.

The objectives of the procurement are:

- The West Midlands Combined Authority wishes to appoint a Service Provider to provide Professional Design and Engineering Services to TfWM as the delivery agency for the CWG Traffic Management programme. The scope will cover a variety of disciplines to enable the Authority to fulfil its role of designing, implementing and delivering the Games Route Network and venue traffic management requirements across the West Midlands.
- The services listed are those anticipated to deliver the CWG Traffic Management programme, however, other services not foreseen at the present time may be required as and when the need arises.

The procurement of the detailed design Service Provider is the final phase in the TM design process based on the current GRN/LATMP TM scope and includes the detailed design of the Games traffic management measures and the preparation of the appropriate contract documentation for the procurement of the Traffic Management Contractor(s).
