Quality criterion - Name: Vehicle Quality / Weighting: 3

Quality criterion - Name: Staff Training / Weighting: 2

Quality criterion - Name: Fair Work First / Weighting: 2

Price - Weighting: 90

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

13 August 2024

End date

2 July 2027

This contract is subject to renewal

Yes

Description of renewals

Option to extend for 1 + 1 Academic Years

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Licensed Taxi or Private Hire Car drivers

A Contract can only be awarded to a Tenderer who holds the necessary licence to operate the service.

In the case of vehicles constructed or adapted to carry 8 or less passengers this licence

will be a taxi or private hire car licence issued by Dundee City Council.

In the case of vehicles constructed or adapted to carry 9 or more passengers this will be a PSV Operators Licence issued by the Scottish Traffic Commissioner.

Staff will possess an Accredited Photo Card issued by the Transportation Division and provide their unique card number. For licensed Taxi or Private Hire Car drivers, they should provide taxi badge number.

Employees who do not possess an Accredited Photo Card or Taxi Badge will be required to join the PVG membership scheme prior to commencement of duties.

All licensed taxi and private hire drivers must hold the SVQ Certificate Introduction to the role of the professional taxi and private hire driver.

III.1.2) Economic and financial standing

List and brief description of selection criteria

The Council will utilise Equifax Score check to assess the Economic and financial standing of organisations bidding for contracts. Tenderers (including all participants in a group) are required to have a Score check Score of 35 or above in order to demonstrate their financial strength and stability.

It is recommended that Tenderers review their own Score check score in advance of submitting a Tender Submission. Where the Tenderer does not have a Score check score, or where the Tenderer does not consider that the Score check score reflects their current financial status; the Tenderer may give an explanation within the Tender Submission, together with any relevant supporting alternative evidence which demonstrates its financial strength/stability.

Where the Tenderer is under no obligation to publish accounts and therefore does not have a Score check score, they must provide their audited financial accounts for the previous 2 years as part of their SPD Submission in order that the Council may assess these to determine the suitability of the Tenderer to undertake a contract of this size.

As an alternative to the above requirement but only for bidders who started trading less than 3 years prior to the return date for the Tender response set out below, those bidders must demonstrate adequate financial capacity for the Contract by the following evidence:

A business plan for a minimum 3-year trading period setting out projected annual average turnover;

audited or unaudited (if the company has no legal audit requirement) accounts for any

years trading to date, and

letter of support for the bidder's bank setting out the level of financial support available to the business from the bank and for how long that is available.

A bank letter of support should explain the amount and duration of financial support made available to the business by the bank and what information, such as a business plan for the period 01/04/2024 – 31/03/2027, was considered by the bank in deciding to make that support available. These are matters of fact not opinion so should be able to be given by any bank on the authority of their customer. It must be understood, however, that the sufficiency or otherwise of the bank letter can only be judged after submission and assessment of all Questionnaire responses so the provision of as much information as possible is encouraged.

All of this information must be in terms entirely satisfactory to the Purchasing Authority. We reserve the right (but are not obliged) to seek additional clarification and/or supporting information from or about the bidder to satisfy us in this regard, for example, a bank reference.

Where a Tenderer does not meet the minimum financial requirements in its own right and wishes to rely on the financial standing of a parent company, Tenderers should provide a statement that they commit to obtaining a parent company guarantee in the form attached in the Standard Documents Parent Company Guarantee.

Where a consortium bid is received, the Score check score of each consortium member shall be assessed and each must achieve a Score check score of 35 or above.

Where a sub-contractor material to the performance of the Contract or where the Tenderer intends to sub-contract more than 25% of any contract value to a single sub-contractor, the Tenderer may be required to confirm that the sub-contractor(s) has a Score check score of 35 or above. The Council reserves the right to request one copy of all sub-contractor last 3 financial years' audited accounts and details of significant changes since the last financial year end.

Minimum level(s) of standards possibly required

It is the requirement of this contract that tenderers hold, or can commit to obtain prior to the commencement of any subsequently awarded contract, the types and levels of insurance indicated below:

Tenderers must confirm they already have or commit to obtain prior to the commencement of the contract, the following levels of insurance:

1b. Employer's Liability Insurance covering the death of or bodily injuries to employees of

the bidder arising out of and in the course of their employment in connection with this contract to the level of 10,000,000 GBP in respect of each claim

2. Public Liability Insurance covering the death of or bodily injury to a person (not an employee of the bidder) or loss of or damage to property resulting from an action or failure to take action by the bidder to the level of 5,000,000 GBP in respect of each claim.

3. Third Party Motor Insurance to comply with section 145 of the Road Traffic Act 1988 with a minimum Property Damage cover of 5 million GBP

III.1.3) Technical and professional ability

List and brief description of selection criteria

Vehicle Quality

All Contracts to be operated by a PCV will meet Euro IV standard for particulate matter (PM). No vehicle registered as new before 1 October 2006 will be considered to have met this standard. No tenders will be considered if the Tenderer does not have or is unable to put in place these types of vehicles within six months of the commencement of the Contract.

All Contracts to be operated by a licensed taxi or private hire car will meet Euro 5 standard for particulate matter (PM). No vehicle registered before 1 January 2011 will be considered to have met this standard.

The maximum seating capacity of any vehicle to be used on the Contract will be 16 passenger seats.

Minimum level(s) of standards possibly required

Full details are included in the ITT documentation

III.2) Conditions related to the contract

III.2.1) Information about a particular profession

Execution of the service is reserved to a particular profession

Reference to the relevant law, regulation or administrative provision

The bidder is enrolled in the relevant professional or trade registers kept in its country of establishment: Bidder to provide a copy of:

In the case of vehicles constructed or adapted to carry 8 or less passengers this licence

will be a taxi or private hire car licence issued by Dundee City Council.

In the case of vehicles constructed or adapted to carry 9 or more passengers this will be a PSV Operators Licence issued by the Scottish Traffic Commissioner. SPD Question 4C1.2:

Experience in delivering home to school transport involving the transportation of children and young people with challenging behaviour or delivering transportation which involved dealing with challenging passengers over the last 3 years.

III.2.2) Contract performance conditions

Staff (including sub-contractor staff, drivers and passenger assistants) directly involved in the delivery of the Framework Agreement and/or any subsequent call off contract]), must be paid at least the real Living Wage.

The Scottish Public Sector considers the payment of the real Living Wage to be a significant indicator of an employer's commitment to fair work practices and that payment of the real Living Wage is one of the clearest ways an employer can demonstrate that it takes a positive approach to its workforce.

The real Living Wage is a rate of pay which applies to all employees aged 18 and above and is sufficient to ensure that the recipient may enjoy an acceptable standard of living. There are two rates of the real Living Wage: the UK wide rate and the London rate. The rates are announced annually by the Living Wage Foundation.

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

In the case of framework agreements, provide justification for any duration exceeding 4 years:

Economic, Social and Environmental Reasons: to enable/encourage operators to bid and invest in their fleet.

IV.1.8) Information about the Government Procurement Agreement (GPA)

VI.3) Additional information

The Supplier Development Programme will be holding an online event for any interested suppliers on how to complete this tender document going through each stage and process, including Pricing Schedule, Documents to be signed and SPD document.

All suppliers are invited to attend and should do so by registering via the below link:

Aligned Tender Training

Thursday 18 April 2024, 10:00-11:30am

Webinar:

<https://www.sdpscotland.co.uk/events/dundee-city-council-home-to-school-transport-taxis-in-inc-wheelchair-accessible-vehicles-1646/>

Bidders to complete bid pricing to include payment of Scottish Living Wage to all passenger assistants, driver and others employed to deliver this contract. If you currently do not pay the Scottish Living Wage you will be required to complete a separate pricing schedule - Please note that bids will be scored on the payment of the Scottish Living Wage

Please note that the operational schedules detail the requirements and bidders can bid for any of the lots. Operatives can elect to submit proposals which involve any vehicle type, but this must meet the minimum requirements set out within the operational schedule.

To avoid doubt:-

Contractors may:-

- (a) bid for individual lots only (Lots1 to 53 and 56 only);
- (b) enter into a Framework for Spot Purchase Lots by only (Lot 54 and 55); or
- (c) bid for individual Lots and enter the Framework applicable to Spot Purchase Lots (1 – 56)
