Services

II.1.4) Short description

National Grid Electricity System Operator (NGESO) are seeking Digital Services supplier(s) for an opportunity of engagement on Digital Agile DevSecOps transformation office with NGESO - Digital, Data and Technology.

We are looking for strategic partner(s) who can support in our ambition to become an agile digital organization. The scope of the engagement will encompass all aspects of organizational transformation workstreams broadly categorized into People, Process and Tools. Broadly, the partner(s) will help us identify the transformation workstreams, intervention areas, implementation plan, continuously adopt the plan as per the feedback and learning and execute the plan to drive the shift towards Agile organization.

In the planning and execution, the partner(s) will collaborate with existing partners in the eco-system. We reserve the right to select the multiple partners - maximum of 3 and scope assigned. The expected time duration of engagement will be appx 2-4 years.
