## Scope

#### Reference

OPEN2025522

## **Description**

Plans include moving the main entrance to the terrace adjacent Mowbray Park, better connecting the museum to the park.

The ground floor will be completely transformed with a new central atrium space, new galleries and more family friendly activities and exhibitions.

The redevelopment will also create a new learning and engagement zone to complement the Winter Gardens with imaginative educational and outreach programmes focusing on the museum's collections, the natural world, biodiversity and climate change.

New M&E systems will be installed throughout, helping us to achieve Sunderland's Carbon Zero targets.
