There will be a tenderer event held via Microsoft Teams on 10th June 2021 at 10am in relation to this tender. The event will be focussing on the Tender Process and will explain the ITT and the other documents as well as useful information to enable Tenderers to be 'tender ready'. There will be an overview of the service requirement from commissioners of the service and there will be an opportunity to ask questions at the end of the event. Whilst every endeavour will be made to answer questions at this event, it may be necessary to respond at a later date. The presentations and questions and answers given will be made available via ProContract. To ensure that this event is of the most benefit, tendering organisations are encouraged to ensure that persons attending are the most appropriate i.e. persons who will be constructing and making decisions about any tender submitted.
