Lot 8. Building Fabric

Description

Building Fabric Reactive & Planned Maintenance to all relevant SWAST sites

Lot value (estimated)

- £967,500 excluding VAT
- £1,161,000 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 9. Fuel Dispensing Equipment

Description

Fuel Dispensing Equipment & Fuel Tank Assessments to all SWAST fuel tanks

Lot value (estimated)

- £847,500 excluding VAT
- £1,017,000 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 10. Solar PV Servicing

Description

Solar PV Servicing to SWAST sites as required

Lot value (estimated)

- £97,500 excluding VAT
- £117,000 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 11. Building Energy Management System Maintenance

Description

Building Energy Management System Maintenance Where appropriate

Lot value (estimated)

- £146,250 excluding VAT

- £175,500 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 12. Fire Door Inspection & Maintenance

Description

Fire Door Inspection & Maintenance for relevant SWAST sites

Lot value (estimated)

- £195,000 excluding VAT
- £234,000 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 13. Estates Restoration Work

Description

Estates Restoration Work as required

Lot value (estimated)

- £243,750 excluding VAT
- £292,500 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Participation

Particular suitability

Lot 1. Mechanical Technical Requirements

Lot 2. Ventilation & Air Conditioning

Lot 3. Electrical

Lot 4. Fire Detection, Alarm & Suppression Systems (FDASS)

Lot 5. CCTV

Lot 6. Access Control

Lot 7. Security Alarms

Lot 8. Building Fabric

Lot 9. Fuel Dispensing Equipment

Lot 10. Solar PV Servicing

Lot 11. Building Energy Management System Maintenance

Lot 12. Fire Door Inspection & Maintenance

Lot 13. Estates Restoration Work

Small and medium-sized enterprises (SME)

Social Value	Questions marked for social value	Quality	10%

Other information

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Competitive flexible procedure

Competitive flexible procedure description

There are 3 steps plus a Best and Final Offer.

Stage 1 is the issue of the ITT Pack and the submission of a Tender by each Tenderer wishing to participate in this process and the Intermediate Assessment of each Tender submission received by the Contracting Authority in accordance with this ITT Pack. The top 3 Tenderers per lot who have, following assessment of their Tender submissions against the Award Criteria, been evaluated as scoring the highest % of the score available following such assessment, shall be invited to participate in a presentation / Interview to the Contracting Authority (Stage 2).

Stage 2 Those Tenderers selected following the Intermediate Assessment of the Tenders submitted at Stage 1 of this procurement process shall be invited to attend a presentation/interview as further described in this Document 1 of the ITT Pack. After Presentations the scoring for the initial tender responses will be confirmed / corroborated and adjusted if applicable to reflect the extra information supplied during the Stage 2 process. The top scoring suppliers (a maximum of 2 suppliers per lot) after scores have been adjusted, will be invited to stage 3. This stage may not be required for all Lots.

Stage 3 Those Tenderers selected (maximum 2 per Lot) following the Intermediate Assessment of the Tenders submitted at Stage 1 and verified at Stage 2 of this procurement process shall be invited to attend one or more negotiation/dialogue meetings as further described in this Document 1 of the ITT Pack, in order to assist Tenderers to understand the Specification and to refine their solutions. This stage will not be subject to an Intermediate Assessment, but will allow a Best and Final Offer to be submitted. This stage may not be required for all Lots.

Followed by a Best and Final Offer from the 2 highest scoring tenderers per lot after stage 3.
