The intention is to launch a Fflecsi Services pilot scheme to better determine the role of Fflecsi and its ability to operate efficiently in densely populated environments where an increased number of users are expected to make use of the services. The Fflecsi Services will also aim to better connect the Ebbw Fach and Ebbw Vale areas with existing bus and train routes so as to facilitate direct access to larger employment areas for patrons who do not live within close proximity to existing fixed service transport.
