Procedure

Procedure type

Direct award

Direct award justification

- Single supplier - technical reasons
- Additional or repeat goods, services or works - extension or partial replacement

This requirement applies for this service as the cyber security service is currently implemented across the business. To not implement the existing software from the Cyber

company would leave us vulnerable as a business as would require operational challenges to integrate this across the business.

The implementation is required to allow sufficient time to plan and manage a full tender process to implement the software correctly
