Scope

Description

NIAL is seeking to appoint a suitably qualified and competent contractor/consortium to deliver a 3-storey terminal extension, together with new Mechanical and Electrical infrastructure.

The project will take place at Newcastle International Airport and the scope includes but is not limited to the construction of a 3-storey steel framed extension to the terminal building. The roof will be vaulted and formed over elliptical steel roof trusses. The floor slabs at levels 1 and Level 2 (first and second floor level) are cast insitu on permanent metal shutter. The level 0 ground floor slab is a 200mm thick concrete ground bearing slab. The new façade will be predominantly glazed curtain walling.

Total value (estimated)

- £7,700,000 excluding VAT

- £9,240,000 including VAT

Above the relevant threshold

Expression of Interest Notice

General

NIAL is issuing this Expression of Interest in connection with the advertisement placed in the Finder a Tender service (FTS) and using the 'Competitive Flexible Procedure' in accordance with the Procurement Act 2023.

NIAL is seeking to appoint a suitably qualified and competent Contractor to deliver the Terminal East Extension, Newcastle International Airport.

During the procurement process negotiations between NIAL and Applicants/Tenderers on fundamental aspects of their offer, such as price are not permissible.

Compliance Check

The project is to be procured using a Design and Build tender process comprising of three stages:

- Expression of Interest / Pre-Qualification Questionnaire
- First Stage Tender Submission
- Second Stage Competitive Package Tendering

NIAL will conduct compliance checks following receipt of the Expressions of Interest. Submissions which are substantially incomplete, or which are non-compliant with the requirements set out in this Expression of Interest may be rejected.

Following initial selection process comprising of the Expressions of Interest / PQQ, the first stage process will commence. Invitations to tender will be issued to a maximum of 5 applicants who the contracting authority consider have submitted the optimum submissions and demonstrated they are the most capable of fulfilling the contract.

Expression of Interest / Pre-Qualification Questionnaire (PQQ)

The Expression of Interest / PQQ stage compliance check will comprise of assessing responses to the criteria outlined in the 'Supplier Expressions of Interest Questionnaire'.

Failure to meet the mandatory requirements and achieve 'Pass' classification will result in the Applicants not being considered further and their Bid rejected.

The completed Expression of Interest Questionnaire is to be submitted electronically for the attention of Neil McIntyre, nm@newcastleinternational.co.uk no later than the deadline outlined above.

The Tender documents are made available electronically on the NIAL portal access to which can be obtained by contacting Neil McIntyre, nm@newcastleinternational.co.uk .
