South West London and St George's Mental Health NHS Trust is currently going through a period of investment and regeneration through their 'Integrated Programme' as new mental health facilities are developed across Wandsworth, Richmond and Kingston.

In December 2022 the brand new Trinity building opened to patients at Springfield and the new Shaftesbury building is due to follow later in 2023 - with further estate developments planned up to 2026. The new buildings will form one part of a new 'Springfield Village' as the Trust's headquarters.
