Description

You are invited to tender for the installation and setting up of all the fire alarm panels on the Advanced-Live system. LJMU have provided a full specification and requirements within the ITT documents included within this tender. Contractors will be expected to provide costs in the tender for the following: (but not limited to)

- Verification of the current fire alarm system.
- Installation of new PCB's to upgrade the panels to allow communication with the Advanced Live system.
- Installation of new data network points.
- The costs for Advanced to set up and demonstrate the new system.

- Procurement cost for a 12 month licence

Please register on In-tend, which contains the tender pack. Pls do not make direct contact with the buyer, all queries must be placed via In-tend
