Body governed by public law

I.5) Main activity

Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Placement Management Solution (Higher Education)

Reference number

HUD-CLS-040

II.1.2) Main CPV code

- 48000000 - Software package and information systems

II.1.3) Type of contract

Supplies

II.1.4) Short description

The University of Huddersfield intends to implement a single system for student placement management. There are several systems already in use across the institution which will be replaced by the single procured solution. The single system will achieve the following outcomes: - Replace manual placement activity with a systemised process- Deliver a business-wide solution using a centralised system- Deliver operational dashboards to facilitate day to day placement management Implementation of a university wide placement management system to increase the efficiency of the administration of placement opportunities. The following objectives have been identified: - Procurement of a suitable commercial off the shelf (COTS) placement system developed for higher education usage - Development, customisation, and implementation of the system in a phased rollout - Support a standardised process for placement management across the University which includes automating parts of the process

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £600,000

II.2) Description

II.2.2) Additional CPV code(s)

- 48000000 - Software package and information systems

II.2.3) Place of performance

NUTS codes
