Description

This tender opportunity has been issued by Great Torrington School ("the School") and Tenderers are invited to tender for the provision

of outsourced catering services. Full details of all contract requirements are given in Document 2. Specification of Requirement.

The School is seeking a Contractor to provide a high-quality service, whilst delivering value for money for the school, parents and

pupils using the Services. The contract will include all food and staff provision to support the delivery of the outsourced catering

service.

The contract start date will 1st September 2025 and is to be for a period of three (3) years with the possible extension of two (2) further

years, in 12-month intervals (3 +1+1).

The Contractor shall:

a. embrace the School vision, values and ethos, whilst demonstrating alignment to them in all aspects of the delivery, throughout the

contract term.

b. work in partnership with the School, offering a service a high-quality food offering, whilst delivering value for money for pupils

using the services whilst continually improving the quality and uptake of meals, particularly for FSM pupils.

c. deliver an exemplary quality of service whilst harnessing a continuous drive for improvement throughout the contract term and have

appropriate practices and systems in place to ensure a suitable amount of food supply, meal choices are available throughout the

service.

d. have appropriate processes and procedures in place which gives assurance that individuals with food allergens, medical and dietary

requirements will not be put at risk and religious cultural and SEND dietary requirements are catered for.

e. demonstrate a contract management approach, including a robust complaint management policy that offers transparency and

visibility of management information, KPI and financial performance. This will allow for a robust level of oversight regarding contract

delivery.

f. operate the contract in line with School Food Standards, British, International and EU standards & legislation, working with the

School in compiling a nutritious and healthy menu offer.

g. promote environmental and social sustainability in all aspects of the school meals provision and have in place a sustainable food

supply chain that minimises the negative impact on the environment, preserves natural resources, and promotes social and economic

well-being. The Contractor shall have appropriate processes and procedures that demonstrate the ongoing review of the supply chain

and procurement of goods to ensure it continues to meet this objective.

h. provide signage and marketing for the catering service. This shall include general advertising, and attractive packaging and

presentation of meals and marketing materials that can be shared with families via newsletters, website email etc.

i. implement a robust mobilisation plan for the contract that will demonstrate partnership working, is seamless and demonstrates due

regard for risk with appropriate mitigation measures, including the responsibility for TUPE of existing staff.
