Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

US_21057 - Cyber Security (Market Engagement)

Reference number

US_21057

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

The University of Sussex has a requirement to establish a Cyber Security Operations Centre (SOC) and to upgrade existing malware protection. The purpose of this pre-market engagement is to increase the University's understanding of what types of services and products are available to meet this requirement. The University would also like to understand the relationship between associated anti-malware monitoring services and how these act as, or in place of, SOC services.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 48000000 - Software package and information systems

II.2.3) Place of performance

NUTS codes

- UKJ - South East (England)

II.2.4) Description of the procurement

The University of Sussex has a requirement to establish a Cyber Security Operations Centre (SOC) and to upgrade existing malware protection. The purpose of this pre-market engagement is to increase the University's understanding of what types of services and products are available to meet this requirement. The University would also like to understand the relationship between associated anti-malware monitoring services and how these act as, or in place of, SOC services.

We are looking to engage with providers who would be interested in this opportunity and/or have experience of delivering similar projects. We have prepared an indicative scope of works and a market engagement questionnaire designed to inform the University of the current solutions the market is able to offer. For the avoidance of doubt, this market engagement exercise implies no commercial commitment and is not a formal tender process.

How to view this market engagement opportunity:

- Register and log into Proactis

<https://supplierlive.proactisp2p.com/Account/Login>

- Click on the red box marked `Opportunities` and then scroll down to the project or use the search function
- Select `Show me` on the relevant opportunity
- Click on the `Register Interest` tab
- The questionnaire can be found in the tab titled `Request Documents`

Please contact suppliersupport@proactis.com if you have any difficulties accessing the documents.

Alternatively, please contact us by email at the following email address and documents will be shared with you:

cybersoc@sussex.ac.uk

Please complete and return our short questionnaire by 22.6.2021

II.2.14) Additional information

This PIN does not constitute a call for competition. Any subsequent procurement will be carried out strictly in accordance with the Public Contracts Regulations.

Participation or non-participation in this pre-procurement market engagement process shall not prevent any supplier from participating in a potential future procurement, nor place any supplier at an advantage or disadvantage in a potential future procurement.

II.3) Estimated date of publication of contract notice

31 August 2021

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
